You said, we did

Thank you to the 93 patients who completed our patient survey in June 2026.

YOU SAID

"Waiting times can be longer than expected."
"Appointment times are not always kept."

WE DID

We introduced dedicated nursing schedules

Nursing care now has its own appointment times, helping our doctors and nurses run more on time and reducing your wait.

"Provide a better guide on fees."

Our fees are now clearly displayed

You can see our full fee schedule on the poster at front reception and on our website, mcmcgp.com.au.
